

Culligan is Proud to Support Jr. A Hockey!

Culligan dealer Paul Moorman recently announced a substantial sponsorship commitment to the Peterborough Petes and the Belleville Bulls hockey clubs. "The OHL is such an important part of the communities we serve and I'm very pleased that our company can support our two local teams". Culligan is the "Official Water" of both the Bulls and the Petes, supplying drinking water to the players, coaches and staff at home and on the road.
