## **A River of Support: 2009 Culligan Water Donations Highlight Community Focus**

In a time of economic uncertainty, some local businesses take it upon themselves to give back. When it comes to the local Culligan dealership, owner Paul Moorman sees charitable donations as vital to supporting our home community, on behalf of both the company and its employees.

“Above all else, the Culligan Man is a local resource, and we are always pleased to lend a hand to a variety of worthwhile causes,” says Moorman, who owns Culligan dealerships in Peterborough and Belleville, Ontario.

In 2009, Culligan donated 22,608 single serve bottles of clean, potable water and 293 bottles of 18-litre Culligan water.

That’s more than 16,500 litres of water!

- Here’s just a few of the worthwhile organizations and events Culligan has supported during the past year.
